

Category 10)

BEST SUSTAINABILITY INITIATIVE

Entrants must demonstrate how their initiative/scheme/policy has contributed to the drive to reduce carbon emissions or meet sustainability targets. Entries can be initiatives introduced to improve the sustainability credentials of the business itself, or to improve the sustainability credentials of the homes and developments that they build.

Entries will be judged on some or all of the following:

- Awareness and knowledge of the sustainability agenda, Future Homes Standard and road to net zero
- Evidence of practices/systems/initiatives which address the sustainability/low carbon/green/biodiversity agenda
- Evidence of success of the initiative
- Imagination and innovation in the use and application of the initiative
- Excellence and delivery above the norm, being ahead of their peers

THIRD PARTY TESTIMONIALS ARE WELCOMED AND ENCOURAGED IN ALL CATEGORIES
