

Category 12)

SUBCONTRACTOR/SERVICES PROVIDER OF THE YEAR

This category is open to firms that supply work or services to the housebuilding industry as a subcontractor, consultant, service supplier etc

Entrants must demonstrate expertise in their specialist field – this could be innovation in service or approach, quality of work, value for money, training, communication, sustainability or health and safety

The category is open to subcontractors and services providers working for a main or principal contractor/developer in the residential market. A subcontractor/services provider is defined as one which carries out a specific task or provides a service – often as a specialist - as a proportion of the overall work that is within the control of the main or principal contractor/developer

Entries will be judged on some or all of the following:

Evidence of:

- Innovation in service or work delivered
- Work or service that successfully tackles a specific need for housebuilders/developers
- Health and Safety excellence
- Quality and timeliness of work
- Value for money/cost control/money or time savings
- Training and skills development, demonstrating an understanding of staff welfare and wellbeing
- Staff development – including wellbeing, diversity and inclusion
- Communication with the main contractor/developer and other subcontractors
- Sustainability/environmental performance

ALL ENTRANTS IN THIS CATEGORY MUST INCLUDE TESTIMONIALS FROM ONE OR MORE MAIN CONTRACTOR/DEVELOPER
